

Shop with Scrip

A Tuition Assistance Solution for
BME Parents

What is Shop with Scrip?

KO

The Breakdown

- ▶ It is basically a gift card fundraiser program
- ▶ Unlike other fundraisers where you have to devote time and ask for donations, with Scrip you raise the money by purchasing gift cards.
- ▶ You do not pay any more than you normally would for the gift card. These cards all have a rebate percentage on them, with the average being between 2% -16%
- ▶ You purchase the gift cards at face value from ShopWithScrip.com and the rebate amount will go directly to BME's account to be put towards your tuition.

US

The Perks

There are over 750 retailers that you can purchase gift cards

They include stores that you normally would shop at and spend money on anyways, including grocery stores, gas, restaurants and more.

They also have online stores, like Amazon, Shutterfly, iTunes, Playstation, and Ebay with rebates from 2-9% or more.

You can keep earning during the summer and when school starts again you will have a credit.

ShopWithScrip.com also has regular Specials.

For instance, currently if you purchase a card for Lowe's and spend \$25 you would receive a rebate of 6% when normally the rebate is 4%. Or Bed Bath Beyond normally is 7% but for 2 weeks they have a special for 8% rebate.

More Ways you can Earn

Scrip Gift cards do not expire and do not have fees associated with them. Scrip purchases them directly from the company to ensure you receive the highest rebate.

Get your family, friends, & co-workers involved. Purchase cards on their behalf. Better yet notify the Scrip Coordinator for them to register and purchase directly online and it can help you even more with your tuition cost.*

When having to purchase a gift for a birthday or Christmas, consider buying a gift card instead.

Consider asking someone to sponsor your child where they would commit to purchasing a set amount in gift cards from you each month through Shop with Scrip to help with tuition cost.

*Please note policy about Family/Friends on slide 29

How Payments Work

- ▶ At this time in order for you to participate in this program you can only purchase the gift cards via Presto Pay online. BME will not be accepting checks or cash.
- ▶ Shop with Scrip does not accept Credit card payments due to the fact it is meant to save participant's money. They do this to ensure your family is receiving the most benefit by not having to pay interest charges from a credit card payment.

prestopay™

- ▶ Presto Pay is a secure online payment system that takes payments directly from your checking or savings account.
 - ▶ When placing your order the money will be taken out of your account by the next business day.
 - ▶ There is a minimal fee of \$0.15 each time you checkout using Presto pay.

If you are not comfortable using this method from your main account consider opening a separate account specifically for Shop with Scrip.
